

Take a Chance Online Raffle

Since we cannot meet in-person this year, the Southern States Sign Association is having a Take a Chance Online Raffle!

In a Silent Auction, you bid on prizes and the prize goes to the highest bidder. With a Take a Chance online auction, you purchase a number of tickets and then you add those to the various prize baskets you are interested in entering. The more tickets you enter in a specific basket, the greater the odds are for winning that particular prize! You also get to put your tickets towards the prizes you are most interested in.

When all tickets have been assigned to prizes, you check out and will receive an email confirmation with the ticket numbers and the prizes each ticket has been added to. At the end of the raffle, the system will randomly select winners for each prize and SSSA will contact the winners.

The best part? All proceeds go to the SSSA Scholarship Fund. Our Scholarship program is designed to provide financial awards to Southern States Sign Association (SSSA) member company employees or dependent children of member company employees. We were able to award 12 - \$1000 scholarships this year and we would like to continue that tradition!

Here's Where You Come in! We're asking for donations from you to make this happen! Complete the attached form with the prize(s) you would like to donate and send to lauren@southernstatessigns.org. Please include an image of the item(s) you are donating and your company logo (Jpeg, EPS or PDF format).
