

TAKE A CHANCE RAFFLE

WHAT IS A TAKE A CHANCE RAFFLE?

In a Silent Auction, you bid on prizes and each prize goes to the highest bidder. With a Take A Chance raffle, you purchase tickets and add them to various prize container(s), “taking a chance” that you will win that prize. The more tickets you add to a particular prize container, the greater the odds are for winning that item!

The Take A Chance Raffle will take place at the 2024 Conference & Expo on Friday, September 27 during the Dinner and Expo. At the end of the raffle, we will randomly select winners for each prize (you must be present to win).

The best part? All proceeds go to the SSSA Scholarship Fund. Our Scholarship program is designed to provide financial awards to Southern States Sign Association (SSSA) member company employees or dependent children of member company employees.

Here’s Where You Come in! We’re asking for donations from you to make this happen! Complete the attached form with the prize(s) you would like to donate and send to lauren@executiveoffice.org.

Please print legibly & complete all information requested.
